

PRESS RELEASE

Kobusch-Sengewald acquires medical packaging part of Sengewald Klinikprodukte.

Warburg, November, 1st, 2012 - Kobusch-Sengewald GmbH, a company of the Kobusch Group, has acquired from Sengewald Klinikprodukte GmbH the division Medical Packaging at the production site Rohrdorf/ Thansau.

All the employees being transferred from Sengewald Klinikprodukte GmbH to Kobusch-Sengewald have confirmed their appreciation of this change and are fully committed to working in the future for Kobusch-Sengewald GmbH.

“This change also confirms our continued commitment to our customers and we will do all effort to deliver best possible customer service and to further grow the medical packaging business. The medical packaging division will be an integral part of the Sales Category Medical within Kobusch Sengewald, headed by Henrik Nichols and during the transition period Udo Erath, Vice President Operations and Technology of Kobusch will manage the site and be the main contact for all Kobusch-Sengewald employees working at the Rohrdorf site.

I wish all our new employees welcome to Kobusch-Sengewald!”
